

WK-083C3W-II & WK-084C3W-II

FEATURES

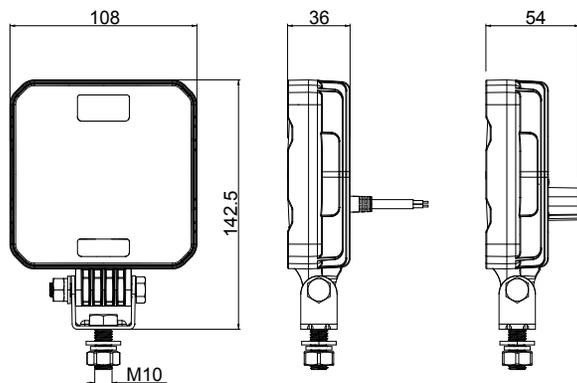

- Budget-friendly.
- Easy installation.
- High level of waterproof- IP67.
- Available in connector or cable connection.
- Low power and high intensity, provide higher brightness with the same power consumption.
- High level EMC design, avoid electromagnetic interference to electronic equipments of the vehicle.
- Advanced thermal design reduce the temperature on leds for keeping product lifetime and providing higher brightness.
